### WATERLOO FIRE & RESCUE 900 INDUSTRIAL LANE WATERLOO, WISCONSIN 53594

Monday January 2<sup>nd</sup>, 2017

On Monday December 12<sup>th</sup>, 2016 we had our monthly EMS training. There were four stations. The first station was child delivery and complication with a delivery. This is not an everyday occurrence. It has been some time since our EMS has delivered a baby, but when it happens our members are ready. The second station was splinting. Our members have multiple ways of splinting and they need to know what is going to be the best for the patient and to reduce the pain as much as we can. The third station was on Med sled and back boards. The Med sled is another tool for our members to get someone out of a difficult spot. When placing a patient on a back board there is a few different ways of doing it, so our members need to work as a team and try to not cause the patient more pain. The fourth station was driver training. Our drivers go out and test their skills. You might think all they have to do is drive, but it is not that easy. Every turn they make if the driver feels it all the people in the back feel it 3x more. The members get scored on this and improvements are made.

On Monday December 19<sup>th</sup>, 2016 we had our monthly Fire training. There were four stations. The first station was hose deployment and advancement. A few of our members have been training on a more efficient way of deploying a hose and advancing it to the fire. Before it took two firefighters about one minute to deploy and advance so there were no kinks in the line. The new way is one firefighter in about 30 seconds, the second firefighter grabs tools now. The second station was on doffing and donning turn out gear and SCBA's (air packs). This is in two parts the first one is getting all their gear on in less than two minutes. The second part is door drills, the firefighter does not mask up until they get to the door, they need to mask up in less than 30 seconds. The third station was on Cascade system. This was a refresher on how to fill our SCBA's off of the truck and from the station and how to fill the system after use. The fourth station was on operation of extrication tools and maintenance. This is just to refresh our members on how all tools are hookup and use and then what needs to be done after use.

Sincerely,

Chief Vern Butzine

- WHEREAS, equal housing opportunity is a condition of life in our City that can and should be achieved.
- NOW, THEREFORE, I, Robert H. Thompson, Mayor of the City of Waterloo, Wisconsin, do hereby proclaim the month of January 2017 as

FAIR HOUSING ACTIVITIES

DATE:

**DECEMBER 27, 2016** 

# REPORT ON WATERLOO FAIR HOUSING ACTIVITIES

To demonstrate meaningful efforts to further fair housing in the City of Waterloo the following steps have been taken:

- 1. A Mayoral proclamation has been distributed to the media.
- 2. The proclamation along with a Fair Housing Law poster, form ERD-10251-P, have been posted prominently in public venues in the City of Waterloo.
- 3. A social media communication has been sent to 700+ individuals, businesses and organizations via Facebook.

Attached is source documentation.

The objective of this project was for the local government chief executive to publically endorse the principle of fair housing and the adherence to fair housing law, and to communicate that message directly to those in a position to abide by the law.

TO: MAYOR AND CITY COUNCIL

FROM: MO HANSEN ON BEHALF OF THE WATERLOO COMMUNITY DEVELOPMENT AUTHORITY

SUBJECT: 2016 COMMUNITY DEVELOPMENT ANNUAL REPORT -- PURSUANT TO SECTION 35-2(F) OF THE MUNICIPAL CODE

DATE: **DECEMBER 14, 2016** 

# 2016 COMMUNITY DEVELOPMENT AUTHORITY ANNUAL REPORT

#### **COMPOSITION & ORGANIZATION:**

Matthew Ziaja, Council Term: 2013 - 2017 Chairperson

Vice Chairperson Michael Hermanson, 2012 - 2016

Angie Stinnett, Council Term: 2013 – 2017

Linda Norton, 2013 – 2017

Lindsay Reynolds, filling unexpired term ending in 2017

Sue Moe, 2014 – 2018 Nicole Tuttle, 2015 – 2019

Two Alderpersons – (duration of their council terms of office) and five non-council members – 4-year term

The Community Development Authority ("CDA"), met jointly with the Community Development Committee (a subcommittee of the City Council: Matt Ziaja, Tim Thomas, Jeanette Petts) monthly in the Council Chambers, typically the third Tuesday at 6:00 pm. The Clerk/Treasurer provided staff support.

#### **POWERS AND DUTIES:**

As granted by Chapter 35 of the municipal code, the CDA shall have all powers and duties in §§ 66.1333 Wis. Stats. (Operate as a Redevelopment Authority for the purposes of blight elimination and slum clearance). Furthermore, it shall have all powers and duties in §§ 66.1201 Wis. Stats. (Run municipal housing projects; to acquire property by eminent domain; to own, clear and improve property; to invest funds; to execute bonds and take on indebtedness). The CDA also has the powers, duties and functions related to community development as are conferred upon it by the Common Council from time to time.

#### **GOALS & OBJECTIVES:**

- 1. Carried Over From 2015 -- 203 East Madison Street Redevelopment per approved site drawing.
- 2. Economic Development Strategic Plan Implementation collaborating with multiple project partners: prioritization, monthly progress review and project oversight working with Clerk/Treasurer.

#### 2016 ACTIVITIES:

1. Seeking Grants. The joint body directed the Clerk/Treasurer to apply for two DNR grants for 203 East Madison Street. One grant was awarded. A 50% match Municipal Flood Control grant for

- \$21,000, focused on the river's edge, was awarded and accepted by the City Council. (The 50% match amount has yet to be determined.)
- 2. <u>Downtown Store Front Initiative And A Downtown Focus.</u> Outreach to downtown property owners to match vacant store fronts with artists/organizations interested in displays occurred over numerous months. One match led to a display of portraits at 123 North Monroe Street. Members also photographed and reported on existing downtown blighting influences, and promoted a canvass painting event at Stubby's Bowl on July 10<sup>th</sup>.
- 3. <u>Sponsorship and support for a 1<sup>st</sup> Annual Waterloo Cinco de Mayo Festival at Firemen's Park.</u> This family-friendly event was organized by Gregorio Ayala and Linda Norton. It featured food, music, piñatas and a children's play area.
- 4. Temporary Fund 600 structural deficit remedy. All CDA revenues and expenses are segregated to Fund 600. The CDA recommended, and City Council allocated, fund balance from the municipal General Fund to bring assets and liabilities into balance for Fund 600 as of January 1, 2016. The structural deficit was the result of operating expenses exceeding revenue for Maunesha Business Center (MBC). Fund 600 has one recurring revenue source to cover recurring expenses, MBC rental fees. In 2016 the Finance, Insurance & Personnel Committee reduced the rental rate for the lone renter, Tucker's Driving Academy. A scenario may be recreated whereby expenses will outpace rental income for operating the MBC. The 2015 year-end fund balance was -\$28,245.65. The 2016 year-end fund balance is projected to be: -\$1,000. EXHIBIT A: 2016 Fund 600 budget.
- 5. <u>Maunesha Business Center</u>. In 2016 the City Band and Waterloo/Marshall Food Pantry used this facility at no charge as they have done for many years. Beginning in 2012 Tucker's Driving Academy rented the first floor for training approximately one week a month.
- 6. Economic Development Strategic Plan -- Consensus Building. In 2016 CDA-CDC members participated in a public workshop and meetings involving the Mayor's Strategic Planning Committee and representatives from the Waterloo Chamber of Commerce with the purpose of arriving at a municipal economic development strategic plan. A project services contract with Vierbicher & Associates was terminated early due to poor performance. Vierbicher & Associates finished a Market Analysis (editing required) and a Tax Incremental Financing Analysis before leaving the project. The Jefferson County Economic Development Consortium's Genevieve Coady assisted until she took a new job in Chicago. A plan is completed. The CDA-CDC has become the de facto body for plan oversight and implementation. This will be a challenge as Fund 600 has no net revenue to devote towards implementation. EXHIBIT B: Economic Development Strategic Implementation summary.
  - a. In-progress concepts from this process include:
    - i. Downtown Street Market Initiative
    - ii. 2017 Find Your Path Here Program (waiving fees for new home construction)
    - iii. Expanded use of social media
    - iv. Readying 17 acres at 333 Portland Road for reuse/redevelopment
    - v. Downtown store front art initiative
    - vi. Continuation of the Downtown Façade Improvement program

- 7. <u>Naming CDA-CDC Liaison</u>. Nicole Tuttle volunteered and was appointed to serve as the liaison between the CDA-CDC and the Waterloo Chamber of Commerce.
- 8. <u>Foreign Trade Zone #41 Feasibility Study.</u> The CDA-CDC gave the go ahead for a UW-Whitewater graduate student to conduct a study to determine the feasibility of Waterloo benefitting from being located within Foreign Trade Zone #41. EXHIBIT C: FTZ Summary Memo, September 15, 2016.
- 9. <u>Stakeholder Interviews</u>. The Clerk/Treasurer conducted stakeholder interviews reporting back to the group in May. EXHIBIT D: Summary of Stakeholder Interviews, May 12, 2016.
- 10. <u>Connect Communities Information Resources.</u> CDA-CDC members have access to regular emails directing readers to community development research, ideas and best practices from the Wisconsin Economic Development Corporation's Connect Communities program.
- 11. <u>Downtown Signage & Community Kiosks.</u> (a) At the request of a CDA member, and after consulting with the Mayor, a changeable letter, back-lighted sign formerly used at the high school was acquired to be erected in front of the Maunesha Business Center. (b) The CDA-CDC recommended and the Council approved the creation of a small project sign for 203 East Madison Street, to be install. (c) The CDA-CDC is considering the creation of "You are here" kiosks with downtown and Firemen's Park identified as likely locations.
- 12. <u>2017 Budget</u>. The CDA recommend, the City Council adopted in its entirety, a 2017 budget focused on seeking grants to fund activities.

SUBJECT: FOREIGN TRADE ZONE #41 FEASIBILITY – SCOPE OF WORK

**DATE:** SEPTEMBER 15, 2016

#### FOREIGN TRADE ZONE #41 FEASIBILITY STUDY - SCOPE OF WORK

I am writing to request approval from the CDA and CDA to authorize a fund 600 expenditure not to exceed \$2,500 for a May/June 2016 Research Internship. The internship work product would be a feasibility study on how Waterloo could benefit from being located within Foreign Trade Zone #41 (FTZ #41).

UW-Whitewater School of Business Graduate Student <u>Gisela Helder Sanchez-Lopez</u> has expressed interest in this two month research project. UW-Whitewater Vice Chancellor Ramon Ortiz has indicated Gisela would be a good candidate for the project.

- Q: <u>How would this be funded?</u> ANS. The expense would be part of the Fund 600 budget. I am anticipating that a transfer from the General Fund to Fund 600 to cover the existing deficit would be increased by the amount of the Intern Stipend to cover this expense.
- Q: Why should this be a priority? ANS. (1) This is one way Waterloo can participate in, and its citizens can benefit from international trade. The feasibility study is meant to identify private sector partners in constructing a general purpose duty-free facility or a firm specific duty-free facility. (2) Trek, Sheehy Enterprises, Sussek Machine Company and other export/import companies located in Jefferson, Dane, Dodge and Columbia counties could possibly benefit from a general purpose Waterloo duty-free facility, keeping and growing Wisconsin jobs. (3) Property developed as part of an initiative (most likely a warehousing facility) would increase the property tax base.
- Q: What Waterloo assets lend themselves to researching potential FTZ #41 activity?
  - Trek Bicycle is an importer of bike parks and an exporter of finished bikes. Such manufacturers are positioned to benefit from import duty reductions. Some FTZ #41 facilities are specific to a firm, examples being Mercury Marine, Kohler and Case New Holland. Other facilities are general purpose and can service multiple companies. To my knowledge Dane, Jefferson, Dodge and Columbia counties have no such general purpose facility.
  - Sheehy Enterprises already provides non-stop express freight service from the <u>Port of Long Beach in California</u>. It could be hauling cargo ship containers to a duty free destination.
  - Sussek Machine Company has production in Waterloo, China and Mexico. It may benefit from parts shipment duty-free.
  - The City sold Trek 64,000 sq. ft. of warehouse space.
  - We are served by Wisconsin and Southern Railroad. Cargo ship containers can be shipped overland by rail to duty-free FTZ #41 sites.
  - We have bare ground industrial sites available for development.

#### INTERNSHIP DETAILS.

- 1. LEARNING GOALS: (1) Provide intern with exposure to Wisconsin businesses involved in FTZ #41. (2) A focused research objective identify the feasibility for how Waterloo might benefit from FTZ #41.
- 2. OVERSIGHT. Clerk/Treasurer's office with a final report to the Community Development Authority and Community Development Committee (CDA/CDC).
- 3. INTERNSHIP COMPENSATION. \$14 per hour not to exceed \$2,300, including travel expenses. Letter of recommendation upon favorable CDA review.
- 4. INTERNSHIP PERIOD. A sixty days beginning April 20 or upon acceptance by Gisela. Written report (PDF) with appendix documenting contacts and outreach made due at the end of Internship Period.
- 5. INTERNSHIP WORK PRODUCT. Written feasibility study (PDF) containing authors conclusions and a distillation of generalized conclusions from three private sector professionals familiar with FTZ #41. The feasibility study outline would be approved at the projects' outset and a final draft would reviewed prior to submittal by an academic adviser. The study is to conclude with an appendix documenting contacts and outreach made during the internship.

SUBJECT: ECONOMIC DEVELOPMENT STRATEGIC PLAN – SUMMARY OF STAKEHOLDER INTERVIEWS

**DATE:** MAY 12, 2016

# ECONOMIC DEVELOPMENT STRATEGIC PLAN SUMMARY OF STAKEHOLDER INTERVIEWS

Nine stakeholder visits were held concluding May 12, 2016.

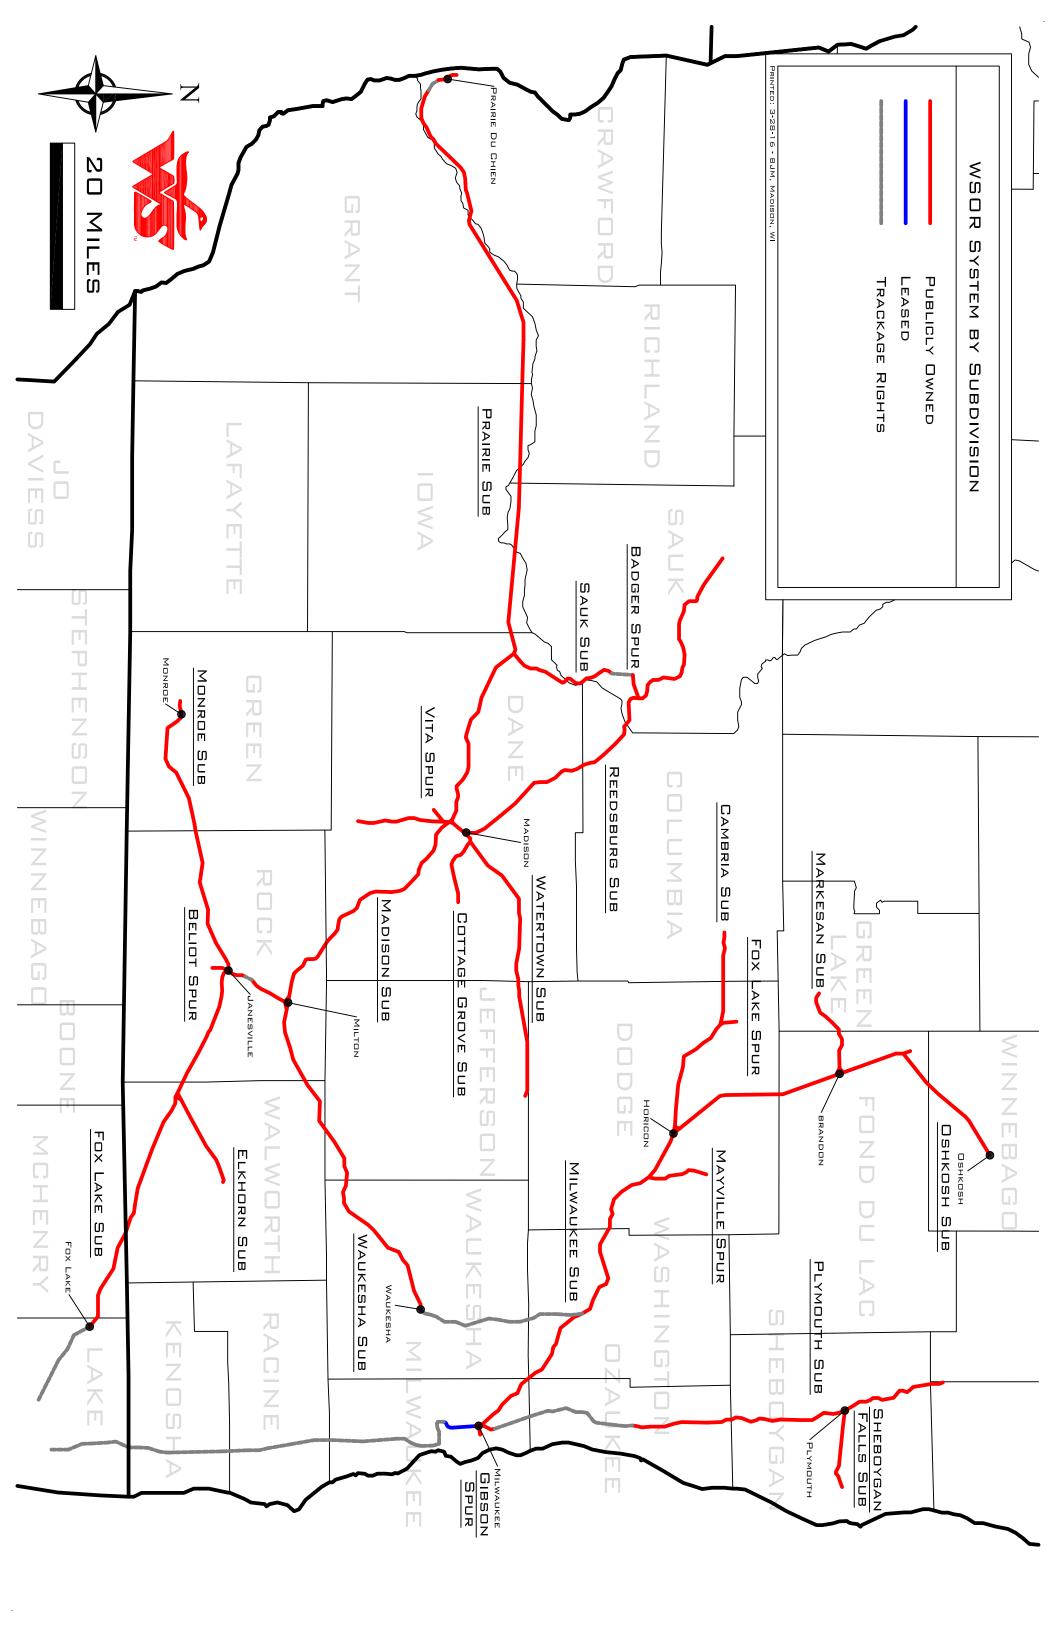

#### **SUMMARY OF FINDINGS**

- 1. Workforce issues are a concern. The availability of talented employees is a challenge. Regardless of the employment type, employers were going to extra lengths to fill staffing needs. Improving community marketing means Waterloo becomes an asset for attracting talent, not a liability.
- **2. Customers first.** Customers have sustained these businesses. A customer first focus was apparent. I translate this to mean our strategies need to <u>wow our "customers</u>." Set the bar high and exceed expectations. "Customers" expect quality and value or they go elsewhere.
- 3. Nice town, but underperforming. Individually, businesses reported success. Collectively underperformance. Retail/service experiences, housing options, schools, community amenities and community aesthetics were singled out. Their successes were due to business innovation and internal improvements, not something tied to Waterloo as a location. "Identify competitive advantages and maximize them." Most interviewees either had little connection locally or had invested time in community activities with marginal returns.
- **4. Identify a theme and work it over time**. Several themes were mentioned: Peddles and Paddles; a German heritage or Hispanic heritage theme; Connecting Waterloo to the Waterloo Wildlife Area and adjacent outdoor recreation. Feature architectural aspects of the downtown. Events generating vehicle traffic were mentioned by retailers.
- **5. Improve communication and cooperation.** Regular community communication is needed. A promotional awareness campaign highlighting retail businesses -- and directed at employees -- was recommended. A buy local campaign was suggested. Comments were received suggesting long-time residents & long-time businesses have to engage in Waterloo issues in a more positive manner to move Waterloo forward.

Re:

Service Contract for Year 2017

Enclosed are **contract documents** for 2017. Please follow the instructions from DocuSign to complete the signing of these contracts.

**Please note:** Several additions and changes have been made to the base 2017 contract language. There were too many changes to identify in this letter, so be sure to familiarize yourself with the document. Jefferson County will still be issuing contracts on a **Performance Based Contracting** process and in an attached document to your contract will be specific outcomes that Jefferson County will be monitoring specific to each provider. This will further allow us to meet Federal reporting and documentation requirements for our programs.

Please go to our website at <u>www.jeffersoncountywi.gov/humanservices/providers</u> for any information you might need.

Medicaid, Medicare and Third-Party Biller Compliance Training: Providers will be required to complete the annual training found at <a href="www.jeffersoncountywi.gov/humanservices/providers">www.jeffersoncountywi.gov/humanservices/providers</a> Upon completion of the training, the Acknowledgment and Agreement form will need to be printed, signed and mailed to the address indicated on the form.

Contract payments will not be sent to you until we receive all of the contract information in its entirety from you, including copies of license and insurance. Jefferson County is also requiring all providers to notify us if you have been notified by the state with any concerns regarding your audit or any client issues that might arise. Jefferson County is also looking into performing on-site providers audits in 2017 and if you are chosen for this process you will be notified.

The 2017 budget as recommended by the Human Services Board and the County Finance Committee does not allow for overall rate increases. If client needs decrease, the agreed upon rate may be reviewed resulting in a lower rate. If you would like to appeal your contract with the Human Services Board Meeting, you will have an opportunity at their January meeting scheduled on Tuesday, January 10, 2017 at 8:30 am.

**Please note:** The State of Wisconsin is sending notice to Providers with an audit requirement that they must submit those audits to the County within 180 days from the end of the Provider's fiscal year. The State may no longer grant extensions. Failure to comply with provider audit requirements will be considered to be a material breach of contract. Your contract will indicate if you are responsible for submitting an audit.

Please let me know if there are questions. Thank you for your prompt attention.

Petts, Thomas and others noted that no public acknowledgment of a new photography business had occurred. Petts asked that an acknowledgement task be added to the plan and that the business be formally welcomed. Ziaja said the Mayor would be the best person to welcome businesses. Moe said one-on-one personal welcomes would be beneficial. Prior Chamber photos run in the newspaper for similar acknowledgments were remembered. Tuttle said the CDA could do the acknowledgment. implementation point requiring Council action. Tuttle and others called for a document useful for tracking progress. Ziaja said he would give monthly CDA-CDC Progress Reports to the Council. Petts said repeatedly reporting would encourage support. Thomas asked if a moratorium on fees to encourage new home construction was something worth considering? Hansen asked if a general request for donated work could be put out to the public? A high school shop class was mentioned as a possible candidate. General interest was mentioned for advertising the opportunity for constructing and donation the kiosks. Stinnett offered to identify plans. Petts said wood specifications could be included in the plans. Stinnett said the 4-H may revisit the project is it is spring of 2017.
