Re: City of Waterloo | 2019 WISLR Ratings and Report

Dear Mr. Hansen,

Kunkel Engineering Group inspected the public roadways, 18.0 miles in length, under the City of Waterloo's jurisdiction for statutory biennial reporting of the pavement condition to the Wisconsin Department of Transportation on Thursday, June 7, 2019. The results of that inspection, in the form of an Excel spreadsheet, are attached to this transmittal for your review and have been submitted to the State through the WISLR site.

A weighted overall pavement rating was determined using the WISLR inventory prior to the inspection and compared to a weighted rating computed after the field inspection. The weighted rating is the product of the length of roadway multiplied by the rating (a scale of 1 to 10, worst to best) for that section of roadway, summed and divided by the total length of the City's roadways. The weighted rating prior to the inspection was 5.385, as rated in 2017. The 2019 weighted rating, after the inspection, is 5.561.

As you can see from the ratings, there is an improvement in ratings over the last two years, which is a change in the previous trends over the past six to eight years. This indicates the City should continue to allocate additional dollars to the maintenance fund whenever possible.

Mo, should you or representatives of the City Council have any questions or comments, please do not hesitate to contact me.

Sincerely,

KUNKEL ENGINEERING GROUP

Mitchell Leisses

Mayor and City Council,

This email is notice that a Class B beer and Class B liquor license application from Katie Creek LLC at 134 East Madison Street has been submitted for municipal consideration. The agent is Colin Gorder. It is my understanding Colin Gorder is also a part of Graybryn Rentals LLC the entity that owns the two story property consisting of 1st floor commercial and second floor dwelling units.

Colin Gorder rescinded a similar liquor license on 4/25/2018. At that time a different entity sought and was granted a license to operate at this location. That operator did not apply for a license renewal for the period 7/1/2019 to 6/30/2020. You may recall a series of licenses were recently renewed.

- Chief Sorenson is researching the application. His preliminary research shows a June 12, 2019 OWI conviction for Colin Gorder.
- Waterloo Fire Department has brought safety concerns at 134 East Madison Street to the attention of Building Inspector Chris Butschke. Chris has issued a non-compliance order to remedy dwelling unit code violations within a certain number of days.

3. Proximity to church, school, hospital. Unless waived by a majority vote of the governing body, a liquor license may not be issued within 300 feet of the main entrance of any church, school, or hospital. Sec 125.68(3). See page 24 of the attached League manual. 134 East Madison Street is 155 feet from a church.
4. Arrest or conviction record. See page 18 of the attached League manual.

Mayor & City Council,

Please see below from City Attorney Bill Cole. In this case the applicant voluntarily rescinded a license on 4/25/2018, with another entity holding a licensed in the intervening time. I'm assuming therefore this 6/21/2019 application could be considered initial.

Mo,

If this is an application for an INITIAL license, the city can deny based on any reasonable grounds (just can't be arbitrary or discriminatory).

If this is a RENEWAL application, then no, you can only revoke, suspend or refuse to renew based on the grounds stated in s. 125.12(2), Stats. That said, even if the license is renewed, the building can obviously still be shuttered if there are legitimate public health or safety issues.

Bill or Micheal,

I am assuming the answer in no, but can you reply to this question.

Can a liquor licensed be denied based on unresolved building safety non-compliance issues, if the non-compliance matter is on the second level and the liquor license premise is described as “basement, first floor bar?”

- Subject property: 134 East Madison Street
 - Property owner Graybryn Rentals LLC is an LLC headed up by Colin Gorder.
 - License applicant is Katie Creek LLC, also Colin Gorder.
- Police Chief is gathering OWI information related to the agent.

City Council with copy to Parks Commissioners:

Below and attached is my report to you on Waterloo resident Maureen Giese's grievance filed June 26, 2019.

1. At the request of Maureen Giese, I've asked Angie Stinnett and Gabe Haberkorn to meet with her on this matter.
2. Pursuant to [30-4\(L\)](#) of the municipal code, I am placing the agenda item: "Legislative Review Request, June 26, 2019 Parks Commission Grievance" on July 11, 2019 Council agenda.
 - a. Summary Points
 - i. A citizen may seek *relief* by way of asking for a legislative review, but there is no statutory obligation to hold a legislative review.
 - ii. In government It is better to shine light on grievances, than not.
 - iii. While it may serve as a vehicle for process improvement, the grievance does not merit a legislative review. I am recommending to the City Council that a legislative review is not warranted.

The full email thread is provided herein. The City Attorney has reviewed my steps provided in this communication. This concludes my report relating to this grievance.

Subject: RE: Grievance Appeal Meeting

Maureen,

Thank you for an additional communication regarding your June 26, 2019 grievance involving the Parks Commission.

1. SUMMARY AS OF 6/28 - 6:52 am.

- You filed a grievance on June 26, 2019 via email.
- A request for a Municipal Administrative Review pursuant to Chapter 6 of the Municipal Code and Wisconsin Statutes was made. Additionally that day, by phone, you asked for a meeting with those involved.
- Serving in my capacity as a municipal officer in receipt of a submitted grievance, I have had a written email thread with you for the purpose of accurately and completely defining the grievance, condensed here for brevity as:
 - Irregular scheduling of Parks Commission meetings; agenda item action deemed incomplete.

- Statements made to you at the June 12, 2019 Parks Commission meeting by the Chair. Roberts Rules of Order-Summary Version that states " Under no circumstances should undue strictness be allowed to intimidate members/citizens or limit full participation."
- I reported back to you and Mayor Quimby on the 26th with an initial determination that the grievance is not reviewable under 68.02 and 68.03 of the Wis. Stat. (the statutes text is identical to that of 6-3 and 6-4 of the municipal code).
- The afternoon of June 27 at 3:06 pm, via email, I communicated to Alder Stinnett and Parks Director Haberkorn, your request for a meeting relating to this matter (attached).
- You followed up later on June 27, via email with additional. On the grievance point relating to Parks Commission meeting scheduling you further stated: Also you asked that I confirm the lack of uniform scheduling of Parks Commission meetings, some three months and now two months apart. As I mentioned a lot is lost when "Unfinished business" is not tended to. Also Minutes of previous meetings some three months ago are not printed until a week before the next meeting. Along with this complaint I have been told "The chair designates the meeting times, also it was said "The Park Coordinator is doing such a great job that we do not need as many meetings" to my knowledge there is no motion or resolution to this effect.
 - Your full June 27th text is below.
- In reviewing the entirety of your information submitted, **I am hereby reaffirming that the grievance is not reviewable under 68.02 and 68.03 of the Wis. Stat.**
- Referencing 68.14 Wis. Stat., your June 27, 4:42 pm email changes the grievance to one in which you are seeking relief from the Parks Commission relating to the grievance items listed above.
 - To aid in resolution, I ask that you define "relief" as it pertains to this specific matter and 68.14 Wis. Stat.
- 68.14(3) states the body with jurisdiction "need not conduct the type of hearing required under 68.11 Wis. Stat."
 - Please Note -- the existence of 68.14(3) Wis. Stat. and with the purpose of resolution of the matter -- is why I communicated to Stinnett and Haberkorn via email on June 26th at 3:06 pm conveying your interest in a meeting with those involved.
 - I interpret 68.14(3) Wis. Stat. to mean the body with jurisdiction need not conduct a hearing as required under 68.11 Wis. Stat. -- or otherwise. The municipal code does not *require* such a hearing; nor does it require legislative review.
- I further interpret 68.14 Wis. Stat. to mean a person aggrieved may seek a legislative review, but the municipality's body with jurisdiction (the City Council in this case) is not statutorily obligated to conduct a legislative review.

2. MOVING FORWARD TOWARDS RESOLUTION.

The facts relating to this matter are generally readily available [i.e. (a) Scheduling -> parks commission meeting minutes & agendas; or (b) June 12, 2019 Commission dialogue -> audio tape],

- I ask that, at a time convenient to all, an informal meeting of the Grievant, the Parks Commission Chair and the Parks Director be scheduled and held in the municipal building. I ask that I also attend to listen and observe.
- As an officer in receipt of your original grievance, I have determined that it is not reviewable under 62.02 and 62.03 Wis. Stat. nor Chapter 6 (Administrative Review) of the municipal code, Chapter 6 attached.
- Your request for a legislative review is a question for the legislative body with jurisdiction – the City Council to decide, as it is responsible for the creation of the Parks Commission. Pursuant to [30-4\(L\)](#) of the municipal code, I am placing the agenda item: "Legislative Review Request, June 26, 2019 Parks Commission Grievance" on July 11, 2019 Council agenda.

This concludes my review of this matter.

Thank you for your reply.

In reviewing Chapters 6-3 and 6-4 of the municipal code, my determination is that your grievance is not reviewable because it refers to action(s) of a City authority (Parks Commission and/or Parks Commissioner) which do not rise to the level of involving a constitutionally protected right of a person in connection with the action or determination of the City authority.

I understand you would like to meet with the parties involved. I will share this communication with Alder Angie Stinnett and Parks Director Gabe Haberkorn.

Update on my Grievance Appeal Meeting email of June 26th, 2019

It has been reported to me that I confirm what was said in my Grievance Appeal message as items re: Chair Stinnett demeaning, "bullying", intimidating remarks to me at the June 12th, 2019 Parks Commission meeting.

I referred to Roberts Rules of Order-Summary Version that states " Under no circumstances should undue strictness be allowed to intimidate members/citizens or limit full participation." I believe Roberts Rules of Order is the guide for Council, Commission, etc. meetings.

Also you asked that I confirm the lack of uniform scheduling of Parks Commission meetings, some three months and now two months apart. As I mentioned a lot is lost when "Unfinished business" is not tended to. Also Minutes of previous meetings some three months ago are not printed until a week before the next meeting. Along with this complaint I have been told "The chair designates the meeting times, also it was said "The Park Coordinator is doing such a great job that we do not need as many meetings" to my knowledge there is no motion or resolution to this effect.

The only Municipal Code I found pertains to #273-1 Park Management..i.e. which says "The Parks Coordinator or alternatively a Council-appointed designee shall be responsible for the day-to-day operation and maintenance of all City Parks in accordance with policies established by the Parks commission and the Council. And goes on to other points.

I would stand on the fact that all Commission Meetings in the past years have always been the second Tue or Wed of each month. See Community Guide 2019 P. 33 which lists all Committee and Commission Meetings meeting EACH month. Past history does give credibility when no update resolution is stated.n.

It has been reported that my Grievance Appeal is not reviewable as presented. As Chapter 6, Administrative Review sent to me reviews what is reviewable. this Chapter 6, Administrative Review also states:

#6-1 Purpose. "The purpose of this chapter is to afford a constitutionally sufficient, fair and orderly administrative procedure and review in connection with determinations by all City officers, employees, agents, agencies, committees, boards and commissions which may involve constitutionally protected rights of specific persons which are entitled to due process protection under the 14th Amendment to the United States Constitution. **Chapter 68, Wis. Stats.** relating to municipal administrative review procedure....except as to those provision otherwise provided in this chapter."

In view of **Chapter 68 Municipal Administrative Procedure. Wis/ Stats.Database** I would like to change the **Grievance Appeal Meeting request to Legislative Review 68.14 meeting as states** "the seeking of a review pursuant to 68.10 or 68.13 does not preclude a person aggrieved from seeking relief from the governing body of the municipal or any of its boards, commissions, committees, or agencies which may have jurisdiction" and so on...

If my request can not be accepted please inform me.

Maureen

Thank you for your response. As I mentioned on the phone conversation possibly the "grievance" can be discussed at a called meeting of minds, possibly not.

I can not find the Municipal Code related to Wis Statue right now, but when I have more time will research that point.

But keep in mind under City of Waterloo, p. 26, in the Community Guide, all Committee and Commission meetings are listed each month second Tues or second Wed now, this was just changed "every other month" for the Park Commission, in the past it was every three months. Most of the Commission and Committee meetings are each month. EXCEPT for the Parks Commission. My point is a lot of confusion exists when meetings are not held monthly.

If this City Council is now termed "Citizens Council" I believe one should respond to citizens, in policy of listening, responding in a mode of courtesy not demeaning policy.

Maureen,

Thank you for your email. I have read your June 26, 2019 communication closely to identify the specific text describing the grievance.

I am writing to ask you to confirm that I am describing below the grievance -- accurately and completely. If I have not, please accurately and completely described it.

Grievance submitted by Maureen Giese in writing as part of June 26, 2019 8:10 am email:

- Regarding the actions of the Parks Commission Chair at June 12, 2019 Parks Commission meeting:
 - Not following Roberts Rules of Order “ Under no circumstances should undue strictness be allowed to intimidate members/citizens or limit full participation”
 - You viewed Angie Stinnett statement: [... stop “nit-picking at the Coordinator and Chair...” and a request to not send emails] as demeaning and meeting a threshold of intimidating citizens and limiting full participation.
- The actions of the Parks Director and Parks Commission Chair regarding the scheduling of meetings:
 - You state lack of uniform recurring scheduling of Parks Commission meetings “... leads to confusion on unfinished business which is not completed in a timely manner. I believe this is not in accord with Municipal Code” **NOTE: Please provide which municipal code you refer to?**

From your text I conclude that you desire certain policies, actions and outcomes pertaining to Parks matters. A majority of the Parks Commissioners and perhaps the Director are not always of a like-mind with you on particular matters.

In reviewing Chapters 6-3 and 6-4 of the municipal code, my preliminary determination is that your grievance is not reviewable because it refers to action(s) of a City authority (Parks Commission and/or Parks Commissioner) which do not rise to the level of involving a constitutionally protected right of a person in connection with the action or determination of the City authority. I’ve attached Chapter 6 to this email for your review.

Because of this preliminary determination, I am asking for you to confirm that I have accurately and completely described your grievance. Thank you.

Subject: Grievance Appeal Meeting

In view of remarks expressed to myself at the June 12th, 2019, Park Commission Meeting, I submit this statement in regard to Chair Stinnett's remarks said at the conclusion of the Park Commission Meeting. I also would express a grievance toward Park Coordinator Haberkorn and Chair Stinnett for not following Robert's Rule of Order (which Commission Meetings are governed) and also not following the Municipal Code (re: meetings) as set forth relating to the Statutes of the State of Wisconsin.

Chair of the Park Commission said at the conclusion of the June 12th meeting which was discussed the name of "Fox Park" and consideration of the name be placed on a plaque or plaque on a boulder or somehow a name being placed somewhere on the 720 W. Madison area. This project has been discussed since June, 2017. At the June 12th Park Commission Meeting I reviewed briefly the history of the naming of this area, the coordinator's view of a "big donor" somehow appearing in the future and to postpone the plaque of the name to not be applied. I asked for a "table" of this report so the newly appointed Park Commissioners could be brought up on this year long naming process. Then, reading the Coordinator's report. My "tabling" was not accepted. The Chair went on and took a vote on the naming...4 to 1. I expressed disappointment on the vote. Then Chair Stinnett then said I should stop **"nit-picking at the Coordinator and Chair, plus I should not send any more emails" in a demeaning tone of voice.**

I object to this undemocratic way of handling a meeting, and insulting words expressed to me. Robert's Rule of Order-Summary Version says "Under no circumstances should undue strictness be allowed to intimidate members/citizens or limit full participation."

I have emailed I believe in a courteous way in the past that Park Commission Meetings per Code are to be held the second Wednesday of every month, also noted in the Community Calendar of this. I was told by the Coordinator that the Chair can call meetings any time, and recently Park Commission meetings are every two months. In the past every four months which leads to confusion on unfinished business not completed in a timely manner. I believe this is not in accord with the Municipal Code.

In the past, I have written a positive letter to the Editor re: Park Coordinator and expressed gratitude for his leadership and others who keep our historic Park "alive and well." I have worked endlessly promoting the historic Firemen's Park, historic Carousel...recently with Bob Hanson finished the Carousel Donor listing that should be up by the 4th of July. I have supported the Firemen's Park signs out of my own budget.

After a year and a half, following Parliamentary Procedure, involving students, the public vote on a name, and now it seems to me all in vain. Butch Fox and the early settlers who created the Canning Factory will wait on a "big donor" Butch Fox relatives want to donate money for the plaque, but will be told "wait and see" ???

Please inform me if you would like me to send a letter of the above. Also what the next step is?

This is sent late, due to a family illness.

§ 6-1 Purpose.

The purpose of this chapter is to afford a constitutionally sufficient, fair and orderly administrative procedure and review in connection with determinations by all City officers, employees, agents, agencies, committees, boards and commissions which may involve constitutionally protected rights of specific persons which are entitled to due process protection under the 14th Amendment to the United States Constitution. Chapter 68, Wis. Stats., relating to municipal administrative review procedure, shall be in full force and effect in the City, except as to those provisions otherwise provided in this chapter.

Stats. In addition, all such written requests shall be immediately referred to the City Attorney.

§ 6-3 Determinations reviewable.

The determinations reviewable under this chapter are as follows:

- D. The imposition of a penalty or sanction upon any person except a City employee or officer, other than by a court.

§ 6-4 Determinations not subject to review.

Except as provided in § 6-3 of this chapter, the following determinations are not reviewable under this chapter:

- A. A legislative enactment, which is an ordinance, resolution or adopted motion of the Council.
- B. Any action subject to administrative or judicial review procedures under statutes other than Ch. 68, Wis. Stats.
- C. The denial of a tort or contract claim for money, required to be filed with the City pursuant to statutory procedures for the filing of such claims.
- D. The suspension, removal or disciplining or nonrenewal of a contract of a City employee or officer.

- E. The grant, denial, suspension or revocation of a fermented malt beverage license or intoxicating liquor license under § 125.12(1), (2) and (3), Wis. Stats.
- F. Judgments and orders of a court.
- G. Determinations made during City labor negotiations.
- H. Any action which is subject to administrative review procedures as otherwise provided in this Code.
- I. Notwithstanding any other provision of this chapter, any action or determination of a City authority which does not involve the constitutionally protected right of a specific person or persons to due process in connection with the action or determination.

§ 6-5 Administrative Review Appeals Board.

- A. Membership. See § **19-6** of this Code.
- B. Powers and duties. The Administrative Review Appeals Board shall have the duty and responsibility of hearing appeals from initial determinations of administrative determinations or decisions of City officers, employees, agents, agencies, committees, boards and commissions filed in accordance with § 68.10, Wis. Stats. In conducting administrative review hearings and making final decisions, the Board shall be governed by §§ 68.11 and 68.12, Wis. Stats.

§ 6-6 Effect on other provisions.

The provisions of this chapter shall not be deemed to repeal or supersede the provisions of any other section of this Code in conflict herewith or providing other procedures for review of administrative determinations within the City except when otherwise specifically provided in said sections.

68.001 Legislative purpose. The purpose of this chapter is to afford a constitutionally sufficient, fair and orderly administrative procedure and review in connection with determinations by municipal authorities which involve constitutionally protected rights of specific persons which are entitled to due process protection under the [14th amendment](#) to the U.S. constitution.

History: 1975 c. 295.

Investigatory and adjudicatory functions in administrative proceedings are discussed. *DeLuca v. Common Council*, [72 Wis. 2d 672, 242 N.W.2d 689](#) (1976).

68.01 Review of administrative determinations. Any person having a substantial interest which is adversely affected by an administrative determination of a governing body, board, commission, committee, agency, officer or employee of a municipality or agent acting on behalf of a municipality as set forth in s. [68.02](#), may have such determination reviewed as provided in this chapter. The remedies under this chapter shall not be exclusive. No department, board, commission, agency, officer or employee of a municipality who is aggrieved may initiate review under this chapter of a determination of any other department, board, commission, agency, officer or employee of the same municipality, but may respond or intervene in a review proceeding under this chapter initiated by another.

History: 1975 c. 295.

68.02 Determinations reviewable. The following determinations are reviewable under this chapter:

(1) The grant or denial in whole or in part after application of an initial permit, license, right, privilege, or authority, except an alcohol beverage license.

(2) The suspension, revocation or nonrenewal of an existing permit, license, right, privilege, or authority, except as provided in s. [68.03](#) (5).

(3) The denial of a grant of money or other thing of substantial value under a statute or ordinance prescribing conditions of eligibility for such grant.

(4) The imposition of a penalty or sanction upon any person except a municipal employee or officer, other than by a court.

History: 1975 c. 295; 1981 c. 79.

68.03 Determinations not subject to review. Except as provided in s. [68.02](#), the following determinations are not reviewable under this chapter:

(1) A legislative enactment. A legislative enactment is an ordinance, resolution or adopted motion of the governing body of a municipality.

(2) Any action subject to administrative or judicial review procedures under other statutes.

(3) The denial of a tort or contract claim for money, required to be filed with the municipality pursuant to statutory procedures for the filing of such claims.

(4) The suspension, removal or disciplining or nonrenewal of a contract of a municipal employee or officer.

(5) The grant, denial, suspension or revocation of an alcohol beverage license under s. [125.12](#) (1).

(6) Judgments and orders of a court.

(7) Determinations made during municipal labor negotiations.

(8) Any action which is subject to administrative review procedures under an ordinance providing such procedures as defined in s. [68.16](#).

(9) Notwithstanding any other provision of this chapter, any action or determination of a municipal authority which does not involve the constitutionally protected right of a specific person or persons to due process in connection with the action or determination.

History: 1975 c. 295; 1981 c. 79.

68.04 Municipalities included. In this chapter, “municipality” includes any county, city, village, town, technical college district, special purpose district, or board or commission thereof, and any public or quasi-public corporation or board or commission created pursuant to statute, ordinance, or resolution, but does not include the state, a state agency, a corporation chartered by the state, or a school district as defined in s. [115.01](#) (3).

History: 1975 c. 295; 1993 a. 399; 2015 a. 196.

68.05 Municipal authority defined. “Municipal authority” includes every municipality and governing body, board, commission, committee, agency, officer, employee, or agent thereof making a determination under s. [68.01](#), and every person, committee or agency of a municipality appointed to make an independent review under s. [68.09](#) (2).

History: 1975 c. 295.

68.06 Persons aggrieved. A person aggrieved includes any individual, partnership, limited liability company, corporation, association, public or private organization, officer, department, board, commission or agency of the municipality, whose rights, duties or privileges are adversely affected by a determination of a municipal authority.

History: 1975 c. 295; 1993 a. 112.

68.07 Reducing determination to writing. If a determination subject to this chapter is made orally or, if in writing, does not state the reasons therefor, the municipal authority making such determination shall, upon written request of any person aggrieved by such determination made within 10 days of notice of such determination, reduce the determination and the reasons therefor to writing and mail or deliver such determination and reasons to the person making the request. The determination shall be dated, and shall advise such person of the right to have such determination reviewed, the time within which such review may be obtained, and the office or person to whom a request for review shall be addressed.

History: 1975 c. 295, 421.

68.08 Request for review of determination. Any person aggrieved may have a written or oral determination reviewed by written request mailed or delivered to the municipal authority which made such determination within 30 days of notice to such person of such determination. The request for review shall state the ground or grounds upon which the person aggrieved contends that the decision should be modified or reversed. A request for review shall be made to the officer, employee, agent, agency, committee, board, commission or body who made the determination but failure to make such request to the proper party shall not preclude the person aggrieved from review unless such failure has caused prejudice to the municipal authority.

History: 1975 c. 295.

68.09 Review of determination. (1) INITIAL DETERMINATION. If a request for review is made under s. 68.08, the determination to be reviewed shall be termed an initial determination.

(2) WHO SHALL MAKE REVIEW. A review under this section may be made by the officer, employee, agent, agency, committee, board, commission or body who made the initial determination. However, an independent review of such initial determination by another person, committee or agency of the municipality may be provided by the municipality.

(3) WHEN TO MAKE REVIEW. The municipal authority shall review the initial determination within 15 days of receipt of a request for review. The time for review may be extended by agreement with the person aggrieved.

(4) RIGHT TO PRESENT EVIDENCE AND ARGUMENT. The person aggrieved may file with the request for review or within the time agreed with the municipal authority written evidence and argument in support of the person's position with respect to the initial determination.

(5) DECISION ON REVIEW. The municipal authority may affirm, reverse or modify the initial determination and shall mail or deliver to the person aggrieved a copy of the municipal authority's decision on review, which shall state the reasons for such decision. The decision shall advise the person aggrieved of the right to appeal the decision, the time within which appeal shall be taken and the office or person with whom notice of appeal shall be filed.

History: 1975 c. 295, 421.

The 15-day time limit in sub. (3) is mandatory, not directory. The municipal authority's failure to comply with the 15-day deadline for completing the paper review under sub. (3) violated the plaintiff's right to due process and warranted reversal of the panel's decision. *Koenig v. Pierce County Department of Human Services*, 2016 WI App 23, 367 Wis. 2d 633, 877 N.W.2d 632, 15–0410.

68.10 Administrative appeal. (1) FROM INITIAL DETERMINATION OR DECISION ON REVIEW. (a) If the person aggrieved did not have a hearing substantially in compliance with s. 68.11 when the initial determination was made, the person may appeal under this section from the decision on review and shall follow the procedures set forth in ss. 68.08 and 68.09.

(b) If the person aggrieved had a hearing substantially in compliance with s. 68.11 when the initial determination was made, the person may elect to follow the procedures provided in ss. 68.08 and 68.09, but is not entitled to appeal under this section unless granted by the municipal authority. The person may, however, seek review under s. 68.13.

(2) TIME WITHIN WHICH APPEAL MAY BE TAKEN UNDER THIS SECTION. Appeal from a decision on review under s. 68.09 shall be taken within 30 days of notice of such decision.

(3) HOW APPEAL MAY BE TAKEN. An appeal under this section may be taken by filing with or mailing to the office or person designated in the municipal authority's decision on review, written notice of appeal.

History: 1975 c. 295, 421.

68.11 Hearing on administrative appeal. (1) TIME OF HEARING. The municipality shall provide the appellant a hearing on an appeal under s. 68.10 within 15 days of receipt of the notice of appeal filed or mailed under s. 68.10 and shall serve the appel-

lant with notice of such hearing by mail or personal service at least 10 days before such hearing.

(2) CONDUCT OF HEARING. At the hearing, the appellant and the municipal authority may be represented by an attorney and may present evidence and call and examine witnesses and cross-examine witnesses of the other party. Such witnesses shall be sworn by the person conducting the hearing. The municipality shall provide an impartial decision maker, who may be an officer, committee, board, commission or the governing body who did not participate in making or reviewing the initial determination, who shall make the decision on administrative appeal. The decision maker may issue subpoenas. An appellant's attorney of record may issue a subpoena to compel the attendance of a witness or the production of evidence. A subpoena issued by an attorney must be in substantially the same form as provided in s. 805.07 (4) and must be served in the manner provided in s. 805.07 (5). The attorney shall, at the time of issuance, send a copy of the subpoena to the decision maker. The hearing may, however, be conducted by an impartial person, committee, board or commission designated to conduct the hearing and report to the decision maker.

(3) RECORD OF HEARING. The person conducting the hearing or a person employed for that purpose shall take notes of the testimony and shall mark and preserve all exhibits. The person conducting the hearing may, and upon request of the appellant shall, cause the proceedings to be taken by a stenographer or by a recording device, the expense thereof to be paid by the municipality.

History: 1975 c. 295; 1989 a. 139.

The review of a city council decision by an administrative review appeals board that included the mayor did not violate the requirement of an impartial decision maker when the mayor did not participate in making or reviewing the resolution. *City News & Novelty, Inc. v. City of Waukesha*, 231 Wis. 2d 93, 604 N.W.2d 870 (Ct. App. 1999), 97–1504.

68.12 Final determination. (1) Within 20 days of completion of the hearing conducted under s. 68.11 and the filing of briefs, if any, the decision maker shall mail or deliver to the appellant its written determination stating the reasons therefor. Such determination shall be a final determination.

(2) A determination following a hearing substantially meeting the requirements of s. 68.11 or a decision on review under s. 68.09 following such hearing shall also be a final determination.

History: 1975 c. 295.

68.125 Refund of fees. If in an administrative appeal under s. 68.10 the municipal authority's order is overturned or the municipal authority withdraws the order that was the subject of the appeal, the municipality and municipal authority shall refund any fee paid to it by the appellant as a condition of filing the appeal.

History: 2017 a. 317; s. 35.17 correction.

68.13 Judicial review. (1) Any party to a proceeding resulting in a final determination may seek review thereof by certiorari within 30 days of receipt of the final determination. The court may affirm or reverse the final determination, or remand to the decision maker for further proceedings consistent with the court's decision.

(2) If review is sought of a final determination, the record of the proceedings shall be transcribed at the expense of the person seeking review. A transcript shall be supplied to anyone requesting the same at the requester's expense. If the person seeking review establishes impecuniousness to the satisfaction of the reviewing court, the court may order the proceedings transcribed at the expense of the municipality and the person seeking review shall be furnished a free copy of the transcript. By stipulation, the court may order a synopsis of the proceedings in lieu of a transcript. The court may otherwise limit the requirement for a transcript.

History: 1975 c. 295, 421; 1981 c. 289.

Judicial Council Note, 1981: Reference in sub. (1) to a "writ" of certiorari has been removed because that remedy is now available in an ordinary action. See s. 781.01, stats., and the note thereto. [Bill 613–A]

The requirement of procedural due process is met if the state provides adequate post-deprivation remedies. Certiorari under this section is an adequate remedy. Failure to pursue certiorari under this section barred a claim that procedural due process was denied. *Thorp v. Town of Lebanon*, 2000 WI 60, 235 Wis. 2d 610, 612 N.W.2d 59, 98–2358.

A litigant cannot bring a claim for money damages grounded upon 42 U.S.C. 1983 in a certiorari proceeding under ch. 68. Failure to join a section 1983 claim with a ch. 68 certiorari action does not preclude the claimant from bringing a section 1983 claim. *Hanlon v. Town of Milton*, 2000 WI 61, 235 Wis. 2d 597, 612 N.W.2d 44, 99–1980.

This section unambiguously provides authority for the remand of an agency final order for further proceedings necessary to insure the legislative purpose set forth in s. 68.001. The circuit court had authority to remand a s. 68.12 final determination based upon a reconsideration motion that presented newly discovered recantation evidence. *M.H. v. Winnebago County Department of Health & Human Services*, 2006 WI App 66, 292 Wis. 2d 417, 714 N.W.2d 241, 05–0871.

A court should not defer to a municipality's interpretation of a statewide standard. Doing so would give one locality disproportionate authority to influence state standards established by the legislature. If the language of the municipality's ordinance appears to be unique and does not parrot a state statute but rather the language was drafted by the municipality in an effort to address a local concern, applying a presumption of correctness, the court will defer to the municipality's interpretation if it is reasonable. *Ottman v. Town of Primrose*, 2011 WI 18, 332 Wis. 2d 3, 796 N.W.2d 411, 08–3182.

A municipality's interpretation of its own ordinance is unreasonable if it is contrary to law, if it is clearly contrary to the intent, history, or purpose of the ordinance or if it is without a rational basis. An interpretation that directly contravenes the words of the ordinance is also unreasonable. *Ottman v. Town of Primrose*, 2011 WI 18, 332 Wis. 2d 3, 796 N.W.2d 411, 08–3182.

A certiorari court cannot order a board to perform a certain act. Thus, a court on certiorari review was without statutory authority to provide the equitable relief requested in this case. Certiorari exists to test the validity of decisions by administrative or quasi-judicial bodies. The scope of certiorari extends to questions of jurisdiction, power, and authority of the inferior tribunal to do the action complained of, as well as questions relating to the irregularity of the proceedings. *Guerrero v. City of Kenosha Housing Authority*, 2011 WI App 138, 337 Wis. 2d 484, 805 N.W.2d 127, 10–2305.

Under sub. (1) and s. 68.12 (2) the decision subject to certiorari review is the final determination made by the administrative panel. However, there are two exceptions to the general rule that a petition for certiorari must go to the body whose acts are being reviewed: 1) when specially provided by statute, or in particular cases of necessity, as when the board or body whose acts are sought to be reviewed is not continuing or has ceased to exist; and 2) when service requirements are ambiguous, and there is an absence of a clear statutory identity of the board or body. *Koenig v. Pierce County Department of Human Services*, 2016 WI App 23, 367 Wis. 2d 633, 877 N.W.2d 632, 15–0410.

The 30-day period during which certiorari review is available for a town board's highway order to lay out, alter, or discontinue a highway begins to run on the date that the highway order is recorded by the register of deeds. *Pulera v. Town of Richmond*,

2017 WI 61, 371 Wis. 2d 609, 885 N.W.2d 380, 15–1016. But see *Zelman v. Town of Erin*, 2018 WI App 50, 383 Wis. 2d 679, 917 N.W.2d 222, 17–1529.

An oral vote of a town board does not constitute a "final determination" under sub. (1) because it does not satisfy the description of "final determination" under s. 68.12, and attendance at a public hearing where the oral vote occurred did not constitute "receipt" of the decision. *Zelman v. Town of Erin*, 2018 WI App 50, 383 Wis. 2d 679, 917 N.W.2d 222, 17–1529.

68.14 Legislative review. (1) The seeking of a review pursuant to s. 68.10 or 68.13 does not preclude a person aggrieved from seeking relief from the governing body of the municipality or any of its boards, commissions, committees, or agencies which may have jurisdiction.

(2) If in the course of legislative review under this section, a determination is modified, such modification and any evidence adduced before the governing body, board, commission, committee or agency shall be made part of the record on review under s. 68.13.

(3) The governing body, board, commission, committee or agency conducting a legislative review under this section need not conduct the type of hearing required under s. 68.11.

History: 1975 c. 295.

68.15 Availability of methods of resolving disputes.

This chapter does not preclude any municipality and person aggrieved from employing arbitration, mediation or other methods of resolving disputes, and does not supersede contractual provisions for that purpose.

History: 1975 c. 295.

68.16 Election not to be governed by this chapter. The governing body of any municipality may elect not to be governed by this chapter in whole or in part by an ordinance or resolution which provides procedures for administrative review of municipal determinations.

History: 1975 c. 295.

In order for a municipality to elect not to be governed by a particular section of ch. 68, the municipality must enact an ordinance that shows that it chooses to opt out of the particular section. *Tee & Bee, Inc. v. City of West Allis*, 214 Wis. 2d 194, 571 N.W.2d 438 (Ct. App. 1997), 96–2143.
