WATERLOO FIRE & RESCUE
900 INDUSTRIAL LANE
WATERLOO, WISCONSIN 53594

Tuesday February 3rd, 2020

On Monday January 13th, 2020 we had our monthly EMS training. Every year we have to train on Bloodborne Pathogens and CPR. We have 5 CPR instructors here and this year Waterloo Police Officers trained with us.

On Monday January 20th, 2020 we had our monthly Fire training. The members that are not on EMS completed there Bloodborne Pathogens and CPR training. The members that already went through the training trained on ropes and knots and the RIT (Rapid Intervention Team) Fast Board. Ropes and knots are very important in the fire service. The use of ropes is anything from picking up tools to the roof, getting a patient out of a high place to getting a patient out of the water. The RIT Fast Board is another tool for us to get a downed firefighter out of a building fast, we strap them into it with all their gear and SCBA and drag them out.

Sincerely,

Chief Wesley Benisch
