900 INDUSTRIAL LANE
WATERLOO, WISCONSIN 53594

Friday October 1st, 2021

On Monday September 6th, 2021 we did not have our monthly Operators training due to Holiday.

On Monday September 13th, 2021 we had our monthly EMS training. Training was on communication. The members went out through the community and they had to follow directions on the radio. Once they found their patient then they had to follow directions on how to treat that patient.

On Monday September 20th, 2021 we had our monthly Fire training. Training was on hose loads and demo of two inch hose. The hose loads were how to properly load hose back on the truck for easy deployment. With the demo hose we wanted to check how it handled and how easy it was to move it. This would replace 2 1/2 and 3 inch hose.

Sincerely,

Chief Wesley Benisch

Hi Mo,
Is a vehicle description required? I will be using this occasionally for my significant other who may need overnight parking. The vehicle may not be the same every time and I would like to be able to use this pass for any occasional overnight parking that is needed.
Thanks,
Anna Peacock

Hi Anna,
Thanks for taking my call. We route applications internally to offer departments a chance to comment. Can you provide a vehicle description make, model, color, year & license#? These items are blank on the application. An email reply which we will add to the application will suffice.
