Thursday January 20th, 2022

On Monday December 6th, 2021 we had our monthly Operators training. The members went over and through how to properly clean and maintain the Engines and Ladder apparatus. This is one of the most important things to ensure that our apparatus is running properly.

On Monday December 13th, 2021 we had our monthly EMS training. Training was on Diabetic, cold emergencies and CPAP. With diabetics there are multiple signs they have to see for a possible diabetic and what they should do for that patient. With the cold coming, the members need to know what to look for and how to care for these cold emergencies. With all the respiratory issues out there today the CPAP systems may get used more often.

On Monday December 20th, 2021 we had our monthly Fire training. Training was on RIT (Rapid Intervention Teams), how to package and drag down firefighters. Also went through mask up drills and RIT connections.

This month Garry Whitebird and Nick Thomas completed and are now licensed AEMT. Ron Boyer has completed Fire Inspector course.

Sincerely,

Chief Wesley Benisch Waterloo Fire Department 900 Industrial Ln. Waterloo WI 53594 920-478-2535 chief@waterloowi.us
