Dear Mike:

Thank you for the opportunity to provide the enclosed financing proposal outlined on the proposal form provided by the City of Waterloo, dated and signed July 14, 2022. This is not a commitment to lend; a commitment may be provided once the approval process is complete. If Monona Bank were selected as your financing partner for this project, we would require formal committee approval (although the terms have already been reviewed by some of our Executive team).

As a relationship Bank, we welcome the opportunity to provide you with a proposal on your depository relationship. We have the pleasure of working with several municipalities and I am sure they would attest that we provide not only outstanding service, but our products and team knowledge are among the best in the industry.

Please let me know if you have any questions and I look forward to hearing from you following your review of the financing proposals.
