- (1) Overnight parking on City streets may be allowed by permit only. The permit fee shall be as stated in the City of Waterloo Fee Schedule for each winter season from November 15 to April 1.
  - (2) Permits for winter on-street parking shall be issued only on the basis of unusual need for vehicles owned by City residents residing on property which does not have a driveway, lacks sufficient space to provide for off-street parking and does not have a reasonable alternative for overnight parking.
  - (3) Permit applications are to be obtained, completed, submitted and paid for at the office of the Clerk-Treasurer. Applications shall be submitted to the Department of Public Works Director or their designee for consideration. If denied applicant may appeal to the City Council.
  - (4) The permit shall be displayed as required on the permit whenever a vehicle is parked on the City street overnight from November 15 to April 1. Failure to display the permit, as required, shall result in vehicle parking violations and subject the vehicle to being towed at the expense of the operator/owner.
- I. Truck parking regulations.
- (1) No person shall, at any time, park, stop or leave standing, whether attended or unattended, any trailer or semitrailer, whether or not attached or connected to a truck tractor or road tractor, on any street **or**

property in any district zoned residential.

- (2) No person shall park, stop or leave standing, with the engine running, any unattended truck tractor or road tractor on any street or property in any district zoned residential.
- J. Parking in alleys regulated. All parking in alleys is prohibited, except in alleys in the business district for the purpose of loading or unloading freight. The business district is defined as East and West Madison Street from Mill Street to South Jackson Street, and North and South Monroe Street from 176 North Monroe Street south to the river. **[Amended 9-20-2007 by Ord. No. 2007-18]**
- K. Parking in driveways prohibited. No person shall park or leave standing any motor vehicle in any private driveway without the permission of the owner or lessee of the property upon which such driveway is located, whether or not such driveway is posted to prohibit parking.
- L. Street maintenance or temporary snow removal. Whenever it is necessary to clear or repair a City street or any part thereof, the Department of Public Works shall post such streets or parts thereof with appropriate signs prohibiting parking. Such signs shall be erected at least two hours prior to the time that street maintenance work is to be commenced. No person shall park a motor vehicle in violation of such signs. **[Amended 9-20-2007 by Ord. No. 2007-18; 4-17-2008 by Ord. No. 2008-06]**
- M. Parking reserved for City employees. **[Amended by Ord. No. 90-6; Ord. No. 4-00]**
  - (1) No person, except City employees, shall park in any parking stall designated by signs stating "City Employees Only" in the Municipal Building parking lot between the hours of 7:00 a.m. and 5:00 p.m. Monday through Friday, exclusive of holidays.
  - (2) No person, except police personnel, shall park in any parking stall designated by signs stating "Police Parking Only" in the municipal parking lot at any time.
- N. Temporary parking restrictions for special events. Pursuant to the provisions of § 349.13, Wis. Stats., the Chief of Police is authorized to direct that temporary "No Parking" signs be erected by the Department of Public Works during parades, festivals and other authorized events that require the regulating of vehicle stopping, standing or parking on City roadways. The temporary regulation shall be limited to the time the event exists or is likely to exist. **[Amended 9-20-2007 by Ord. No. 2007-18]**
- O. Designated parking spaces. The Chief of Police, with the cooperation of the Director of Public Works, shall cause lines or markings to be painted upon the curb and/or upon the street or parking lot surface for the purpose of designating a parking space. It shall be unlawful to park any vehicle across any line or marking or to park a vehicle in such position that the same shall not be entirely within the area designated by such lines or markings.
- P. Removal of chalk marks prohibited. In order to monitor the continuous length of time that a vehicle is parked in a parking space or zone subject to parking time restrictions, it is necessary that the Police Department place a chalk mark or other mark on one or more tires of parked vehicles. It shall be unlawful to remove, erase or alter, or attempt to remove, erase or alter, any chalk mark or other mark of any kind placed upon any tire of a vehicle parked in any parking zone or space subject to parking time restrictions.
- Q. Legal holidays designated. For purposes of enforcement of parking restrictions in the City, the following days shall be defined as legal holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day; provided, however, that in the event any of said days falls on a Sunday, the following Monday shall be deemed to be the legal holiday.

**§ 219-5 Safe and sanitary maintenance of property.**

- A. Purpose. The purpose of this section is to recognize the private and public benefits resulting from the safe, sanitary, and attractive maintenance of residential buildings, yards, or vacant areas. Attractive and well-maintained property will enhance the neighborhood and City and provide a suitable environment for increasing physical and monetary values.
- B. Maintenance requirements. Every owner or operator shall improve and maintain all property under his control to comply with the following minimum requirements:
- (1) Drainage. All courts, yards, or other areas on the premises shall be properly graded to divert water away from the building. Adjacent ground surface shall be sloped away from the structure with a grading of at least 1/2 inch per foot for a minimum of five feet where possible or by other means such as eaves, troughs and downspout extensions.
  - (2) Weeds. All exterior property areas shall be kept free from noxious weeds as required by this Code of Ordinances and the Wisconsin Statutes. Where required weed and grass cutting is not performed by the property owner, the Weed Commissioner shall perform said weed cutting and process the charge therefor as a special charge against the benefited property.
  - (3) Debris. All exterior property areas shall be properly maintained in a clean and sanitary condition free from debris, rubbish or garbage, physical hazards, rodent harborage and infestation, and animal feces. All animal feces shall be removed within 24 hours.
  - (4) Fences, walks, parking areas. Fences, other minor construction, walks, driveways, parking areas, and similar paved areas shall be properly maintained in a safe, sanitary and substantial condition. Approved walks shall provide convenient all-weather access to buildings.
  - (5) Exterior surfaces. Exterior surfaces of buildings and structures not inherently resistant to deterioration shall be treated with a protective coating of paint or other suitable preservative which will provide adequate resistance to weathering and maintain an attractive appearance. Any exterior surface treated with paint or other preservative shall be maintained so as to prevent chipping, cracking, or other deterioration of the exterior surface or the surface treatment and to present an attractive appearance. All paint or other preservative shall be applied in a workmanlike fashion.
  - (6) Yard areas. Yard areas of real estate shall not be permitted to deteriorate or remain in a condition that is not in accord with the following: Yard areas shall be kept in a clean and sanitary condition, free from any accumulation of combustible or noncombustible materials, debris, or refuse. Yards shall not be used to store appliances, furnaces, hot water heaters, water softeners, or building material not used within 10 days, or any unsightly bulk items. Landscaping, plantings and other decorative surface treatments, including common species of grass, shall be installed if necessary and maintained to present an attractive appearance in all court and yard areas. Lawns shall be maintained to a height in compliance with City ordinances. Plantings shall be maintained so as not to present hazards to adjoining properties or to persons or vehicles traveling on public ways and shall be maintained so as to enhance the appearance and value of the property on which located, and thereby the appearance and value of the neighborhood and City. The City, after due notice to the property owner, will cause to be cut or trimmed nonconforming areas and place said cost as a special charge due against the property.
  - (7) General requirements.
    - (a) Every interior floor, wall, and ceiling, including door and window assemblies, shall be kept clean and in good repair, and shall be capable of affording privacy. Any hazardous sagging or bulging shall be

properly repaired to a level or plumb position. All surfaces shall be free from serious cracking, irregularities, and peeling paint. A waterproof and hard surface shall be provided in spaces subject to moisture. All surface repairs shall be completed to closely match the existing surface color and texture. Floor surfacing shall provide ease of maintenance and durability appropriate for the use of the room.

- (b) Every foundation, exterior wall, and floor and roof shall be reasonably weather tight, watertight and rodentproof and shall be kept in proper repair and shall be capable of affording privacy. Any hazardous sagging or bulging shall be properly repaired to a level or plumb position. All chimneys and breaching shall be so constructed and maintained so as to insure that it safely and properly removes the products of combustion from the building.
- (c) Every gap allowing the accumulation of dirt or other objectionable matter in bathing, toilet, or food preparation areas shall be tightly sealed with an impervious and cleanable material.
- (8) Stairs. Every inside and outside stair, every porch, and every appurtenance thereto shall be so constructed as to be safe to use and capable of supporting the load that normal use may cause to be placed thereon, and shall be kept in proper condition and repair and shall present an attractive appearance. All interior and exterior stairs and steps and every appurtenance thereto shall comply with the requirements specified in §§ ILHR 21.04 or 51.16, 51.161, 51.162 and 51.164, Wis. Adm. Code, as dictated by the type of occupancy in the building.
- (9) Plumbing fixtures. Every plumbing fixture and water and waste pipe shall be properly installed and maintained in good working condition, free from defects, leaks, and obstructions.
- (10) Bathrooms. Every water closet compartment floor surface and bathroom floor surface shall be properly constructed and maintained so as to be reasonably impervious to water and so as to permit such floor to be easily kept in a clean and sanitary condition.
- (11) Supplied facilities.
  - (a) Every supplied facility, piece of equipment, or utility shall be so constructed, installed, and maintained so that it will function in a proper working condition.
  - (b) The owner of any dwelling or apartment in which a cooking stove and/or refrigerator are furnished for the use of the tenants as part of a rental agreement shall keep such cooking stove and/or refrigerator in good mechanical working condition.
  - (c) It shall be the responsibility of the tenant to maintain supplied facilities in a clean and sanitary condition when contained within the tenant's dwelling unit.
- (12) Equipment removal restricted. No owner, operator, or occupant shall cause any service, facility, equipment, or utility which is required under this chapter to be removed from or shut off from or discontinued for any occupied dwelling, dwelling unit, or lodging room let or occupied by him, except for such temporary interruption as may be necessary while actual repairs are in process, or during temporary emergencies when discontinuance of service is approved by an authorized inspector.
- (13) Abandoned fuel oil tanks. Abandoned fuel oil tanks shall be removed from the building.
- (14) Removal of debris.
  - (a) No person shall dispose of rocks, trees, stumps, waste building material, or other debris from land development, building construction, street grading, or installation of underground utilities upon the surface of any land in the City, except at approved disposal sites.
  - (b) No landowner shall allow an accumulation of rocks, trees, stumps, waste building material or other

debris from land development, building construction, street grading, or installation of underground utilities upon the surface of his land for a period of more than 10 days.

- (c) All vacant lands within the City shall be leveled off to permit the mowing of weeds as outlined within this Code. This includes the removal of stones, bottles, wires and other debris that will interfere with mowing operations.
- (d) All lands in the City shall be kept free of weeds and maintained so there is no detrimental influence to the public health, safety, comfort or general welfare of the immediate neighborhood or community.

**§ 324-6 Snow and ice removal.**

**[Amended 9-12-2008 by Ord. No. 2008-13; 2-20-2014 by Ord. No. 2014-03; 11-6-2014 by Ord. No. 2014-10; 2-1-2018 by Ord. No. 2018-01]**

- A. Required. The owner, occupant or person in charge of every building, lot or part of a lot within the City abutting upon a public sidewalk shall remove all snow and ice from said sidewalk within 24 hours from the time the snow ceases to fall. When ice is formed on the sidewalk so that it cannot be removed, it shall be kept sprinkled with ashes, salt, sand or like material. The entire sidewalk from edge to edge must be made safe for passage by a means described above.
- B. Removal of snow from roofs. The owner, occupant or person having charge of any building within the City abutting upon or near any public street or place that snow or ice may fall from the roof thereof into or upon such street or place, or upon the sidewalk thereof, shall cause all snow and ice to be removed from such roof within 24 hours after the snow or ice has ceased falling or forming, as determined by the Public Works Director, or provide suitable guards so that the ice or snow shall not be discharged upon the sidewalk.
- C. Deposit on streets prohibited. No person shall deposit or cause to be deposited any snow or ice upon any sidewalk, alley, tree lawn, public place or street in the City; provided, however, that snow or ice removed from the sidewalk in front of or abutting any premises or the premises which abut such sidewalk may be deposited on the tree lawn and, in the event there is no tree lawn, on the street fronting such premises prior to snow or ice being plowed, windrowed and removed from the street by the City.
- D. Removal by City. If snow or ice is not removed from sidewalks or sprinkled, as required by Subsection **A**, one warning per property parcel per snow season will be given for the failure to clear sidewalks; or if snow is not removed from roofs, as required by Subsection **B** above, or if snow or ice is deposited on any sidewalk, alley, tree lawn, public place or street in the City in violation of Subsection **C** above, then the City may remove or cause to be removed all such snow or ice, and the person in charge of the premises from which the snow or ice was removed and so deposited shall be charged. The charge will consist of a Public Works Department charge for time spent at the task, with a minimum charge of one hour per visit, as specified in the Municipal Fee Schedule. Repeat offenders within any given snow season shall be charged an enhanced penalty consisting of two times the standard charge. If not paid within 30 days, such charge shall be placed on the tax roll, pursuant to § 66.0627, Wis. Stats.
