January 9<sup>th</sup> (rescheduled to January 10) 2024 meeting. Abitz/Jacob. Unanimous.

**3. Citizen Input**

Cotting suggested WLOO donate unopened bottles of alcohol left over from September's Event to the Waterloo Booster's raffle in return for mentions by the event's MC. LaRon will contact Leslie Fugate to arrange.

**4. Manager's report.**

In January I was able to attend the Waterloo Business Association meeting. We talked about what will be happening in Waterloo this year and what ways the station could be of assistance. Our videographers recorded and produced their first show independently and the outcome was great. Just a few things to improve on but overall, enough to maintain a successful stream. At this current moment we have 199 subscribers on our YouTube channel, and we have eight hundred views in the last 28 days. This is 199 more views than the previous month according to the analytics.

This is great because YouTube no longer requires one thousand subs for monetization. Its new requirement is five hundred subscribers. Most of our traffic is coming from inside YouTube itself so the mission is to continue posting on YouTube. All other station operations continue as normal.

LaRon's responses: YouTube requires 500 subscribers for monetization. Working on promotional videos for WFRD, WLOO needs a designated WFRD contact. Chris' Classic Cinema will have a Canadian guest.

**5. New Business**
